Group #1 = Johnson

Group #2 = Butler, Douglas, Leavenworth, Miami, Pottawatomie, Riley, Sedgwick, Wyandotte

Group #3 = All counties not listed above

Note that all counties in the same group may not have exactly the same maximum provider rates due to the “hold harmless” provisions that were put in place when rate/county grouping changes were made in February 2002 and January 2016.

*DCF pays a statewide rate for in-home care provided in the child’s home by a relative. This rate is \$1.72/hour effective 10-1-04.

Child care provider rates are based on data received by conducting a market analysis. A child care market analysis measures the child care prices charged by the providers and paid by parents in a specified geographic area. The above rates were effective 1-1-16. Based on information received in the 2014 market analysis, providers are paid at approximately the 40th percentile. This means that 40% of providers charge the private sector the state rate or below.

Providers serving children who have been professionally evaluated as having a special need severe enough to require additional staff or specialized support services not routinely available, may be eligible for reimbursement up to, but not exceeding, the Enhanced Rate for Special Care of \$6.00 per hour for all ages of children, for all approvable hours of care, effective 7-1-08. An ES 1627A Request for Enhanced Rate for Special Care form is completed requesting the enhanced payment rate for a child. All requests for the Enhanced Rate for Special Care must be approved by regional child care provider enrollment staff.
