

**EES Screening Tool for Referral to Rehabilitation Services**

The purpose of this screening tool is to help identify appropriate TANF, GA, medical or FA only consumers for VR services. It may be used at any point in a case: assessment, ongoing services, transition, etc. NOTE: GA, FS, and medical only cases have no EES funding source for vocational assessment.

Consumer Name \_\_\_\_\_

Describe consumer's interest in work or feelings about work: \_\_\_\_\_

<p><b>Are there available medical records of disability and/or limitations?</b></p> <p>Describe _____          _____          _____</p>	<p><b>If yes,</b> refer directly to Rehabilitation Services(RS) program.</p> <p>Use form ES-4315.
