

Participant Responsibilities

SRCC participants will be responsible to:

- Attend all scheduled appointments
- Identify substance use and/or mental health issues that affect employment and parenting
- Develop and actively participate in action plans to meet recovery and employment goals
- Adhere to confidentiality policies of all parties involved.

Participant Requirements

If it is determined you would benefit from SRCC services and you choose not to take an active role in these services, your family will lose cash benefits and your food assistance will be reduced.

SRCC Meetings

SRCC meetings will be scheduled at a mutually convenient time and location. Frequency of meetings will vary and may take place in a family's home, in a community setting or in the office of the Solution Recovery Care Coordinator.

TANF & SRCC Partnership

You will be the center of a team from SRCC, DCF and others that are supportive of the goals to stabilize and preserve your family.

What is the Solutions Recovery Care Coordination Program?

Solutions Recovery Care Coordination (SRCC) is a program designed to provide support and accountability to all families identified by DCF as being:

- Recipients of TANF cash benefits, and
- In need of substance use disorders or related services

How does SRCC help?

SRCC helps participants:

- Create an action plan which focuses on sobriety and successful employment in order to become self-sufficient
- Foster relationships with community resources to build a network of support
- Develop plans for living in a safe environment
- Access community resources including but not limited to:
 - Drug and alcohol treatment/recovery
 - Mental health services
 - Medical care
 - Education
 - Training
 - Employment

Solutions Recovery Care Coordination was developed as a partnership between the Kansas Department for Children and Families, Economic and Employment Services Division and the Kansas Department for Aging and Disability Services, Addiction and Prevention Services Division. Additional partnerships include Regional Alcohol and Drug Assessment Centers.
