Table I - This table represents 100% of the basic and shelter allowances. This table is to be used in all TAF cases when:

- (1) All persons in the home are included in the same assistance plan;
- (2) The only person excluded from the plan is an SSI recipient to whom the statutory 1/3 reduction has been applied to the SSI payment or is a child in joint custody who is ineligible to receive assistance in accordance with 2220;
- (3) There is a shared living arrangement resulting from a commercial and bona fide landlord/tenant relationship with persons excluded from the assistance plan; or
- (4) There is a specialized living, commercial board and room, or commercial room-only arrangement.

Table I shall be used in GA cases (which, except for specialized living, may be further reduced due to the household proration provision contained in the GA Prorata Tables) when a person included in the assistance plan is:

- (1) Participating in vocational rehabilitation training;
- (2) Residing in specializing living arrangements; or
- (3) Eligible based on GA RN provisions in 2315.
