6	\$4257
Each Additional Person	\$537

- (5) Standards in the MA and MS Programs - The protected income budgeted is the independent living standard for the number of persons in the plan and any legally responsible persons in the family group. In addition, in determining the eligibility of a pregnant woman for the MA program based on the provisions of 2652, the needs of the unborn child and the needs of the father of the unborn, if in the home, shall also be included in determining the protected income level. An SSI recipient shall not, however, be included in determining the protected income level.

For persons moving from a long term care arrangement in a Medicaid approved institution to independent living, the independent living standard shall also be budgeted beginning with the month following the month of discharge for persons for whom the provisions of 8144.2 have been applied or the month of discharge for all others. (See 8173.)

An applicant and/or recipient entering a medical institution (including a general medical hospital or a state institution even if no FFP is available) from an independent living situation for a temporary stay as defined in 8113 may be budgeted for independent living for a period not to exceed the calendar month following the month of admission to allow for maintaining previous living arrangements. This would not be applicable if the provisions of 8144.2 are used.

The following standards are applicable:

Number of Months	Persons In Independent Living							
	1	2	3	4	5	6	7	8
1 mo.	\$ 475	475	480	497	558	619	680	741
2 mos.	\$ 950	950	960	994	1116	1238	1360	1482
3 mos.	\$1425	1425	1440	1491	1674	1857	2040	2223
4 mos.	\$1900	1900	1920	1988	2232	2476	2720	2964

6 mos.	\$2850	2850	2880	2982	3348	3714	4080	4446

For 9 or more persons, use Shelter Group V standard from Table I.

- (6) Standards for Long Term Care/HCBS - See section 8160 and 8260 for application of the standards. The Institutional standard is applicable in determining eligibility in either the month the care begins or the following month as specified in 8113. The HCBS standard is applicable beginning the month the choice form is signed, or as per 8270.

The current monthly standards are applicable for 1 person:

LOTIC/Institutional Care: \$ 50.00
 HCBS: \$716.00

- (7) Standards for Presumptive Medicaid Disability: SI-Related - To be eligible, the total countable income must not exceed the applicable SSI federal benefit rate for the appropriate size household:
