- Your children who live with you (for food assistance this includes children up to age 22)
- For food assistance, any parent of a child 21 and under who lives with you

Complete information for each person in your household for whom you are applying. **Start with yourself.** If you have more than four people in your household to include, please attach another sheet of paper.

Citizenship/immigration status must be provided for all persons for whom you are applying. If you request food and/or TANF cash assistance for a household member who does not meet citizenship/immigration status, that person cannot get benefits while the remaining household members who DO meet citizenship/immigration status may qualify for benefits.

You may choose not to list your race or ethnic heritage, and it will not be used against you. We only ask this information for federal reporting purposes. Answers will in no way affect eligibility or benefits. If applying for food assistance only, identifying the sex of the household members is not required.

**Important information about Social Security numbers** — A Social Security number is required for each person for whom food and TANF cash assistance is requested. If you, without good cause, fail to provide or apply for a Social Security number, that person will not be able to get benefits. If you are not applying for certain person(s) in your household, you are not required to provide a Social Security number for that person. We use Social Security numbers to check income and other information to see who is eligible for assistance. If someone doesn’t have a Social Security number, call 800-772-1213 or visit https://www.ssa.gov/.

**Your information is private:**
- We’ll keep your information private as required by law.
- We’ll use the information on this form only to see if you qualify for benefits.

A protective payee must be assigned to access your TANF benefits. You and any member of your household may not access your TANF benefits.

IV. Drug Felony Convictions

In a TANF cash assistance household, any individual who is convicted of a state or federal felony offense
occurring on or after July 1, 2013, which includes as an element of such offense the manufacture, cultivation, distribution, possession or use of a controlled substance or controlled substance analog is ineligible for TANF cash assistance for five years from the date of the conviction for a first offense. A second drug-related felony conviction will result in that individual being ineligible to receive TANF cash assistance for his/her lifetime.

In a food assistance household, any individual who is convicted of a felony offense occurring after August 22, 1996, which includes as an element of such offense the manufacture, cultivation, distribution, possession or use of a controlled substance or controlled substance analog, will be ineligible to receive food assistance benefits until the individual participates in an approved drug treatment program and submits and passes an approved drug testing plan. A second drug-related felony conviction will result in that individual being ineligible to receive food assistance for his/her lifetime.

The remainder of your food assistance or TANF cash assistance household can get benefits if they are otherwise eligible.

Susicion-Based Drug Testing

Kansas requires any adult TANF applicant or recipient who meets the suspicion-based criteria to undergo mandatory drug testing. A failure to test results in the following ineligibility periods for the individual:

1st failure: 6 months, and must undergo drug testing prior to regaining eligibility.
2nd failure: 12 months, and must undergo drug testing prior to regaining eligibility.
3rd failure: Lifetime ineligibility for TANF.

A positive drug test results in the following ineligibility periods for the individual:

1st positive test: Individual is required to participate in substance abuse treatment and enroll in skills-based training. Failure to do so will result in ineligibility for the individual until cooperation occurs.
2nd positive test: 12 months, and successful completion of substance abuse treatment and skills training prior to regaining eligibility.
3rd positive test: Lifetime ineligibility for TANF.
