Tell Us About Yourself and the People in Your Home

You must tell us about everyone living in your home. List anyone who lives with you even if they do not need assistance. Also list anyone who usually lives with you, but is away right now, but will return soon.

Social Security numbers and citizenship/immigration status must be provided for all persons for whom you are requesting cash assistance. If you request cash assistance for a household member who does not meet citizenship/immigration status that person cannot get benefits while the remaining household members who DO meet citizenship/immigration status may qualify for benefits. If you choose not to request cash assistance for certain persons in your household, you do not need to answer questions about Social Security numbers or citizenship/immigration status. However, you may be required to provide financial information for these persons as it may be needed to determine eligibility and amount of benefits for persons who you are applying for.
**Tell Us About Yourself and the People in Your Home Cont.**

You may choose not to list your race or ethnic heritage and it will not be used against you. We only ask this information for Federal reporting purposes. Answers will in no way affect eligibility or benefits.

**Important information about Social Security numbers** - A Social Security number is required for each person for whom cash assistance is requested. If you are not applying for cash assistance for certain person(s) in your household, you are not required to provide a Social Security number for that person. For each person for whom you are requesting cash assistance, if you, without good cause, fail to provide or apply for a Social Security number that person will not be able to get benefits.
