SECTION III – COMMUNITY SPOUSE INCOME ALLOWANCE

The community spouse may retain up to \$1,822 per month of the couple’s total income. The community spouse’s share can be increased by the amount of excess shelter expense calculated above. In any event, the maximum community spouse income allowance is \$2,739 per month.

Calculate the total amount of income which can be allocated to the community spouse.

1. \$1,822 minimum allowance	\$	
2. Total excess shelter (Line II-6)	\$	+
3. Total allowable community spouse allowance	\$	=
4. Community spouse’s gross income	\$	–
5. Net community spouse income allowance which can be provided	\$	=

SECTION IV – FAMILY INCOME ALLOWANCE

Each family member who lives with the community spouse can receive \$608 per month of the income of the spouse in long term care as long as that member’s gross monthly income does not exceed \$1,822. If the income is in excess of \$1,822 no income allowance can be provided to that member. A family member is defined as a minor or dependent child, dependent parent, or dependent brother or sister of either spouse.

List the dependent family members, type of dependency (minor child, disabled, etc.), and amount of gross income for each below.
