How do I know if I qualify for a Medicare Savings Program?
If you can answer YES to the following 3 questions,
you should apply for public funding to pay your Medicare premiums.

1. Do you have Medicare Part A, also known as hospital insurance?

Or for Part D Subsidy only, are your resources below \$10,490 for an individual or \$20,970 for a couple? Resources include money in a checking, savings or CD account, stocks and bonds. When you count your resources don't include the house you live in, your car or household items.
