Position
Number

PART II - To be completed by department head, personnel office or supervisor of the position.

18. If this is a request to reallocate a position, briefly describe the reorganization, reassignment of work, new function added by law or other factors which changed the duties and responsibilities of the position:

19. Who is the supervisor of this position? (person who assigns work, gives directions, answers questions and is directly in charge)?

Name	Title	Position Number
Peter Bodyk	Program Administrator	K0226739

Who evaluates the work of an incumbent in this position?

Name	Title	Position Number
Peter Bodyk	Program Administrator	K0226739

20. a) How much latitude is allowed employee in completing the work? b) What kinds of instructions, methods and guidelines are given to the employee in this position to help do the work? c) State how and in what detail assignments are made.

This position requires considerable independent judgment and action based on state and federal regulations. Tasks are assigned by the Program Manager, Program Administrator and VR Counselors, with some guidance given on specific details of more complex or unusual assignments, but with employee expected to independently follow established office or departmental procedures. Supervision is received in individual conferences and in more general staff meetings.

21. Describe the work of this position using the page or one additional page only. (Use the following format for describing job

duties):

What is the action being done (use an action verb); to **whom** or **what** is the action directed (object of action); **why** is the action being done (be brief); **how** is the action being done (be brief). For each task state: Who reviews it? How often? What is it reviewed for?

Number Each Task and Indicate Percent of Time and Identity each function as essential or marginal by placing an E or M next to the % of time for each task. Essential functions are the primary job duties for which the position was created and that an employee must be able to perform, with or without reasonable accommodation. A marginal function is a peripheral, incident of minimal part of the position.

No. Each Task and Indicate Percent of Time	E or M
