To Request the KDOL Real Time Interface in the context of a case:

1. A Pending Income record must exist.
2. Navigate to the **Verifications List** page.
 - a. On the **Verifications List** page select the checkbox next to the *Pending Income Record*.

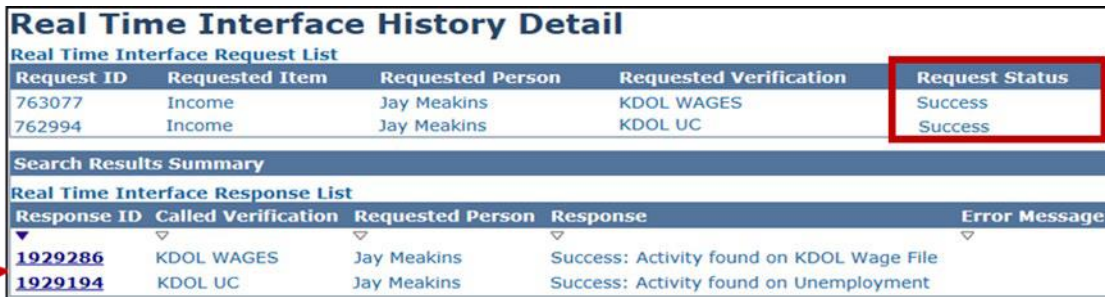

NOTE: KEES allows you to multi-select multiple records.

b. Click on the **Request Verification** button.

c. The **Real Time Interface History List** displays. Click the **Call ID** hyperlink that coincides with the correct **Worker, Date** and **Time** record.

d. The **Real Time Interface History Detail** page displays. The *Real Time Interface Request List* verifies the Request Status. The **Search Results Summary** displays if a response was received.

NOTE: The **Search Results Response Success** means a **Wage** record was found within the past 3 years and an **Unemployment (UC)** record was found within the past year.
