

## MEDICAL KDOL WAGES AND UC INTERFACE

- [Real Time Interface History Details](#)
- [KDOL Wages Interface List and KDOL Wages Interface Detail](#)
- [KDOL UC Interface List and KDOL Wages Interface Detail](#)
- [KDOL UC Interface Non-Monetary Denial Reasons](#)

### To Request the KDOL Real Time Interface in the context of a case:

1. A Pending Income record must exist.
  2. Navigate to the **Verifications List** page.
    - a. On the **Verifications List** page select the checkbox next to the *Pending Income Record*.  
**NOTE:** KEES allows you to multi-select multiple records.
    - b. Click on the **Request Verification** button.
    - c. The **Real Time Interface History List** displays. Click the **Call ID** hyperlink that coincides with the correct **Worker**, **Date** and **Time** record.
    - d. The **Real Time Interface History Detail** page displays. The *Real Time Interface Request List* verifies the Request Status. The **Search Results Summary** displays if a response was received.
- NOTE:** The **Search Results Response Success** means a **Wage** record was found within the past 3 years and an **Unemployment (UC)** record was found within the past year.

Real Time Interface Request List				
Request ID	Requested Item	Requested Person	Requested Verification	Request Status
763077	Income	Jay Meakins	KDOL WAGES	Success
762994	Income	Jay Meakins	KDOL UC	Success

  

Real Time Interface Response List				
Response ID	Called Verification	Requested Person	Response	Error Message
1929286	KDOL WAGES	Jay Meakins	Success: Activity found on KDOL Wage File	
1929194	KDOL UC	Jay Meakins	Success: Activity found on Unemployment	

- i. The KDOL UC record will display the **KDOL US Interface List**. On the **KDOL UC Interface List** page clicking the **Week** hyperlink displays the **KDOL UC Interface Detail** page that displays additional information.
- ii. The *KDOL Wages* record will display on the **KDOL Wages Interface List**. On the **KDOL Wages Interface List** click the **Quarter** hyperlink to display the **KDOL Wages Interface Detail** page that displays additional information.

The Kansas Department of Labor (KDOL) interface does not populate any data collection or verify a pending income record.

A historic record of calls to the Kansas Department of Labor (KDOL) interface is kept on the Real Time Interface History for the past 3 years. KDOL Unemployment is retained for 1 year. KDOL Wages are retained for the past 5 quarters.

## MEDICAL KDOL WAGES AND UC INTERFACE

### Real Time Interface History Details

Real Time Interface Request List	
Request Status	Meaning
Success Request sent to KDOL	Request sent to KDOL.
Hub request not sent due to BPM Exception	Request not sent to KDOL.
This is part of Non Federal Verification List. Hub Request not sent. (Medical Only)	Request not sent to KDOL.
Hub request not sent due to missing fields	Missing person identification information.

Search Results Summary	
Response	Meaning
Success: Activity found on KDOL Wage File	Data found for the person in the latest 5 quarters (including call quarter).
Not found: No findings on KDOL Wage file	No data found at all for the person.
Error: Request Failed	Unable to contact KDOL due to system error. <b>NOTE:</b> This is the only Response that will display an <i>Error Message</i> .
Success: Activity found on Unemployment	Data found for the person in the latest 52 weeks (including call week).
Not found: No unemployment found	No data found at all for the person.
No Recent Activity Found on KDOL UC File	Data found for the person but not in the latest 52 weeks (including call week).
No Recent Activity Found on KDOL Wages File	Data found for the person but not in the latest 5 quarters (including call quarter).
